**Replacement of Approximately 400 ft of Sewer Line  
(Closing 8 December 2021 at 4:00pm)**

The work for this project involves removal and replacement of approximately 400 ft of 200 mm cast iron pipe (possible Asbestos) with 200 mm PVC DR35 pipe with any necessary landscaping to restore site to original condition for the Town of Alberton on Albion Street.

For more details:
