Statement from the Town of Alberton on the passing of Mayor David Gordon

It is with much sadness that we share the passing of Mayor David Gordon. He was more than a colleague and friend. He was a well respected and important part of the Town of Alberton. Alberton Town Council and Town staff offer our sincere condolences to David's children, Mitchell and Holly, their families, as well as his brothers and sisters and their families. David will be mourned and missed by many.

We thank you for your service to the Town you loved so much. Rest easy, Mayor Gordon.
