- 6.1. The principles governing grant programs include:
- (a) Council recognizes that, through the provision of grants, Council is committed to providing financial and in-kind assistance to groups and individuals offering services, activities and programs in the interests of the municipality.
 - (b) Council is committed to treating requests for grants from these groups in a consistent, fair, and equitable manner, subject to established priorities and budget.
 - (c) Council promotes public awareness of the principles and guidelines by which Council is:
 - (i) providing an accessible, open, and transparent application and decision-making process for considering and responding to requests for grants; and

9. Restrictions

- 9.1 Actual amounts allocated for municipal grants will be based upon budget funds available in that particular year.
- 9.2 Grant monies allocated to an individual or organization will be used first to clear any debts owing to the municipality by the individual or organization. The balance of any remaining funds will then be forwarded to the individual or organization.
- 9.3 When grants "in kind" include the use of facilities, proof of insurance, normal security deposits and regular terms and conditions of the facility being used will apply.
- 9.4 Unless otherwise approved by Council, no grant monies will be paid until the annual budget has been approved.
